

Project Assessment Form

Landholder Details					
Name					
Address					
Address					
Phone	work		mobile		
Fax					
Email					
Transaction type	Please indicate your preferred transaction type (you can select more than one) (see guide for details)				
Long term lease	Property sale price	off take agreement	direct investment	transfer of carbon rights	plant and manage
\$/ha	\$	\$/t	\$/ha	\$	\$/yr
Property/plantation site details					
Site address					
Please enter map coordinates if known (lat/long)					
Site postcode		Site size (include only area planted to trees, not paddock size)			(ha)
Has the project been planted?	YES	when was it planted? _____ (month / year)			
	NO	when do you plan to plant it? _____ (month / year)			
Was the land clear (over 80%) of trees on 31 December 1988?				YES	NO
Please describe the main soil types					

Distance and bearing to the nearest town			
What is the estimated cost per hectare to revegetate or establish the site?			
Are there any other claims on the carbon / trees or land use?	YES	NO	
If yes please describe			
Are the plantings subject to any land management agreement?	YES	NO	
Are there any other caveats on the site?	YES	NO	
Type of plantings you have or plan to have:	Tick	Dominant species	
Agroforestry - native species <i>e.g. eucalypts, wattle</i>			
Agroforestry - non native species <i>e.g. radiata pine</i>			
Environmental plantings - native mixed species, non harvest			
What is the estimated % survival of existing plantings <i>e.g. 90%</i>	%		
Has the site been affected by fire, pest or any other event? (briefly describe)			
Please indicate any land degradation issues (e.g. Salinity, Erosion, Weed Infestation, poor soil fertility.)			
Briefly describe the re-vegetation plan or existing sites history (eg to be planted with tubestock at 1000 stems/hectare, spring 2007).			

For multiple sites, complete the table below (see guide at end of document for explanation and assistance)					
Plantation name	species	hectares	date planted	planting method	survival %
	<i>e.g. Native Eucalyptus (Blue Gums)</i>	5	Spring 2005	<i>Tubestock (1000/ha) or Direct seeded</i>	95%

Property Sketch Map		
Please provide a sketch map of the property location and boundary, showing named roads, plantation location, the direction and distance to nearest town and indicate north.		
Do you want your project listed on the AFAR?	Yes	No
Do you want a map of your properties location listed on the AFAR?	Yes	No
Do you want updates and reports of your project displayed on the AFAR		
I have read this disclaimer and agree to make no claims now or in the future on Australian Carbon Traders in relation to any information provided by Australian Carbon Traders Pty Ltd.
